

# Ulm Follow up Working Group

- during the last meeting May 27, 2014, group members discussed key issues of planned BMBF Danube call (end of 2014):
  - objectives, scope/topics, eligibility, type and duration of projects, evaluation of proposals (lead agency procedure), evaluation of the call
  - contribution by all group members
- Danube countries are invited to join and co-fund activities/researchers from their countries
- key aspects of the draft call will be sent out next week
